	Five Bedrooms Apartment	GHC300.00	Maximum of 24 Circuits	

**Note:**

- 1. Facility owner is responsible for paying Testing and Inspection charges directly to the inspector.**
- 2. Facility owner is also responsible for the cost of carrying out any corrections recommended by the Inspector.**
- 3. See attached Additional Notes and Inspection & Testing Checklist**

### **Additional Notes**

1. The above charges for all categories are the maximum for their respective category.
2. Discussions and price negotiations with District Utility Technical, Commercial Managers and assigned certified Inspectors are encouraged, taking into consideration the economic conditions of the community.
3. Charges for (A) Compliant, shall be a reference for determining charges for (B) non-compliant and should be set to incentivize customers who comply with L.I.2008 by using certified practitioners throughout the installation process.
